

Rocker Racers Class Rules

Rocker Cover Sizes: - Any size Rocker Cover from 1 to 24 Cylinder Engines

Note:- A small fee of \$\$\$ in a brown paper bag may induce the Race Scrutineers to pass an inverted Sump Pan off a D9 Dozer

Wheels: - Wheels are optional and 4 are usually better than 2 and much better than Skids

Colour:-Use your Imagination or ask your Wife (remember) F*!?!*?! off, is not a colour

Ballast:-Is allowed if you don't mind being last alot

Note: Yacht type ballast? keels do tend to drag on the track a bit (not recommended)

Extra Bits: - An assortment of useless junk can be stuck on the rocker to induce drag

EG: Dopey looking plastic drivers, Race Fins, Down Force Wind deflectors, Mud Guards, or Bull Bars,

Pit Crews:- Are encouraged to wear race uniforms and remain relatively sober during the event (.05)

Loud Cheering is allowed and Derogatory Remarks can be made, as long as they contain a modicum of Humour.

Finger Pointing : Gestures are allowed and are usually accompanied by Hysterical Laughter

Team Chanting and Cheering:-Whilst Cheering, Expressive Nouns should not be preceded with words like "What a Crock of....", "What a Heap of....", or "What a Heap" etc
"Garn ya Mongrel" is also Banned

Race Officials :- Although they may look a "Bit Shifty" at times, usually don't accept Bribes, but, when you see which Rocker Racers win the day?? one is entitled to be a little bit Suss eh??.

Rocker Racers Oath

I (insert name here) do solemnly promise to not get caught using any mechanical device/s to gain an unfair advantage over my fellow competitors, like Electric Motors, Bungee Rubbers, Slingshots, micro Internal Combustion Engines, Model Rocket Motors or Compressed Air etc
If I do get Caught (heaven forbid) I give permission for the Race Committee rip off my Wheel Nuts and give my Rocker Racer 2 mighty swipes (Per offence) with a 6 lb mash hammer, Put my wheels back on and make me race my Rocker for the rest of the season wearing a Volvo Badge.
